Summary

Versatile and detail-oriented developer with experience in software design, data analysis, and project coordination. Skilled in C#, .NET, Python, and data visualization, with a strong foundation in object-oriented programming and modular architecture. Proven ability to collaborate in team environments, communicate effectively, and manage projects.

Skills

Languages: C, C++, C#, Python
Frameworks: .NET, Avalonia UI
Tools: Git, Docker, CLion, Rider
Concepts: Object-Oriented Design, MVVM

Education

Washington State University — Pullman, WA December 2026
Bachelor of Science in Computer Science

Olympic College — Bremerton, WA June 2023
Associate of Arts

Projects

ClassScheduler — C#, .NET, Avalonia UI, MVVM
Designed and implemented a university class scheduling system that allows students to browse, enroll in, and drop courses while ensuring conflict-free scheduling. Developed an admin panel for course management and implemented local data synchronization. Focused on modular architecture and responsive UI navigation.

YouTube Trending Video Analysis — Python, Pandas, Matplotlib, TextBlob
Analyzed trending YouTube videos from the US and UK to identify factors driving popularity. Cleaned and processed data, performed exploratory and sentiment analysis, and uncovered correlations between engagement metrics, content categories, and viewer sentiment.

Employment History

Boys and Girls Club of North Kitsap — Kingston, WA May 2024 - Aug 2025
Youth Development Professional

- Supervised school-age youth and maintained security for each child under care.
- Led group activities such as educational games, crafts, and physical play to enhance social skills, teamwork, and creativity.
- Provided mentorship and guidance to children, helping them build confidence, resilience, and conflict resolution skills.

Kitsap Event Rentals — Port Orchard, WA Jun 2024 - Aug 2024
General Laborer

- Loaded and unloaded trucks as a team with various event items such as tables, chairs, and tents.
- Worked collaboratively to set up equipment on client site.

Phi Theta Kappa Honor Society, Olympic College — Bremerton, WA Sep 2022 - Jun 2023
Treasurer

- Collaborated within an eight-person team throughout the academic year.
- As part of the officer team, we developed multiple projects aimed at enhancing our college campus and community.
- These initiatives necessitated weekly meetings where I actively contributed ideas and collaborated with team members to ensure project success.
